Some helpful Precursor Shortcuts or extra controls
Hold Shift + Control and draw from one object to another object to create arrows between them.
Hold Space and drag or scroll in order to pan horizontally or vertically
Select Text and Press - or + to increase or decrease its size
Flow:
Introduction
- Slogan
- Brief statement of what our box. does.
Services
Portfolio
Who are we
(we could do something like Kepler)
(i.e. introduce the team on a separate page)
Press / News Preview
(Add a link to an archive list of articles related to us)
Contact and Social Media
Maybe place the contact form on a separate page
Add the Social Media icons to the bottom
From Conception to Lift Off.
- ScholarGen Apps is a Fresno-based software company
that specializes in the development of mobile applications.

Hamburger Menu
could place this on the left side and have a side
panel with a few links (Services, Portfolio, Contact)
or show the menu items in a grid
(similar to Google's mobile version)
Maybe use a more simplified version
