Hamburger Menu

- could place this on the left side and have a side menu slide in from the left side (like Xepler)
- or show the menu items as a grid like willowtreeapps.com's mobile version

Maybe use a more simplified version

Smooth Scrolling

Links to a separate page

that lists and describes our process

Picture or name links to detail page for FTF

- I believe Vanida was working on making the detail page mobile

T - Yes

Links to a separate page

that lists each of us (pic, title, blurb)

Based on willowtreeapps.com recent press coverage preview

(mobile website)

Archive links to a separate page

lists an archive of our press releases

and articles about us

Links them to our contact form

T

- Design the mobile version of our blog

Link to an individual post on our blog

Links them to our blog
